NOVELTY

LOW SUGAR

Revolutionary bar full of benefits which tastes differently from all the other bars in the market.

It is not a fruit bar and the main ingredients is not dates, it is neither a protein bar nor a nut bar, it is not covered in chocolate, still it is full of chocolate. Low Sugar is a tasty mixtures of all the above.

Low Sugar is a line of healthy gluten-free oat bars with very low sugar level, which basis is made of oats and maltitol chocolate which adds intense chocolate taste without too much sweetness, still it preserves the characteristics of a healthy product and distinctive taste. The ingredients of the bar are balanced and apart from gluten-free oats they contain high level of fibre which makes you quickly full.
